## EXPERIENCE

**Student Assistant Research Intern**, School of Forest, Fisheries, and Geomatics Sciences

University of Florida | Gainesville, FL

*Spring 2025 - present*

- Served as a policy intern focusing on Market Incentives and Financial Assistance Programs for Florida landowners.
- Researched and analyzed landowner incentive programs and their impact on conservation efforts.
- Working toward publishing research through UF EDIS (Electronic Data Information Source of UF/IFAS Extension).

**Intern**, Active Learning Program

University of Florida | Gainesville, FL

*Fall 2024*

- Collected and analyzed data on neurodiversity in the workplace; synthesized findings into a poster presentation and Capstone project exploring the impact of fauxductivity and neurodiversity on employee performance outcomes.
- Organized and hosted a webinar featuring TEDx speakers to explore neurodiversity in the workplace, fostering awareness and inclusive discussions.
- Strengthened community initiatives aimed at identifying and resolving job recruitment issues affecting the Generation Z cohort.

**Sigma Alpha**: Professional Development Chair (Spring 2025), Standards Board (Spring 2025), Service Chair (Fall 2024)

University of Florida | Gainesville, FL

*Spring 2023 - present*

- Organized 12+ service events, including both volunteer work and charitable donations.
- Organized and managed the "Women Supporting Women Drive," collecting feminine sanitary products for a Gainesville homeless shelter.
- Organized 10+ professional development events to connect Sigma Alpha members with internship and volunteer opportunities.
- Mediated conflicts, upheld sorority policies and values, and promoted accountability and responsibility among members.
- Led partnerships with University of Florida organizations to support the Gainesville community.

**Alpha Zeta**: Recruitment Committee (Spring 2025)

University of Florida | Gainesville, FL

*Fall 2024 - present*

- Supported the recruitment process by organizing events, engaging potential members, and promoting Alpha Zeta's mission of leadership, service, and professional development in agriculture and natural resources.

**Climate Resilience Institute**

Tufts University | Medford, MA

*Summer 2022*

- For-credit program exploring environmental change, climate resilience, inequality, and social justice.
- Performed environmental data analysis and visualization regarding climate activism.
- Researched air pollution and synthesized findings into a final Capstone project.

**Founder** - Bailey's Tampon Project

Great Neck South High School | Great Neck, NY

*2019 - 2023*

- Founded and managed a donation program providing sanitary products and mentorship for 300+ campers.
